

CHAIN OF COMMUNICATION FOR ATHLETICS

Coach -->

Athletic Director -->

Building Principal -->

Superintendent -->

Board of Education

We ask that you use this chain of command so that you can receive a timely response from the staff member that is most directly involved in the situation. As you move further along the chain of command, the staff is less directly involved and usually needs time to research the situation before they can give you an answer. If you do not hear back from the person you have contacted within **24 hours**, it is time to move along to the next level of the chain. We do not expect your questions or concerns to go unanswered for a long period of time.
