

NYS Education Law 2D (Part 121) requires school districts to take certain steps and employ certain methods to protect our student's and staff data, as well as the computing environment. For a comprehensive list of requirements and expectations, please visit: [NYSED Data Privacy and Security](#)

Listed below are websites and/or software vendors in which the Sodus CSD currently utilizes. Of note, your child may or may not be using the programs below, or the programs listed may just contain or have access to student PII. Please contact your child's specific teacher for information about which programs/websites are being incorporated into your child's classroom. We are working to update all software and websites used at the Sodus CSD and will continue to update this page.
