

Sodus Central School District

Lesson Plan

Teacher Name:		Date:	
---------------	--	-------	--

Subject:		Date and Time of Observation:	
----------	--	-------------------------------	--

All staff of the Sodus Central School strives to meet the following objectives from the District's Strategic Plan

Objectives:

- Each of our students will make progress towards achieving personal goals.
- Each of our students will identify, access and explore a wide spectrum of personal interests that widen their world view.
- Each of our students will progress toward academic excellence, as defined by multiple measures of success.
- Each of our students will become aggressive problem solvers.

Please provide the following information about your lesson for all traditional pre-observation meetings.

Please bring a copy of all lesson handouts and worksheets to the pre-observation conference.

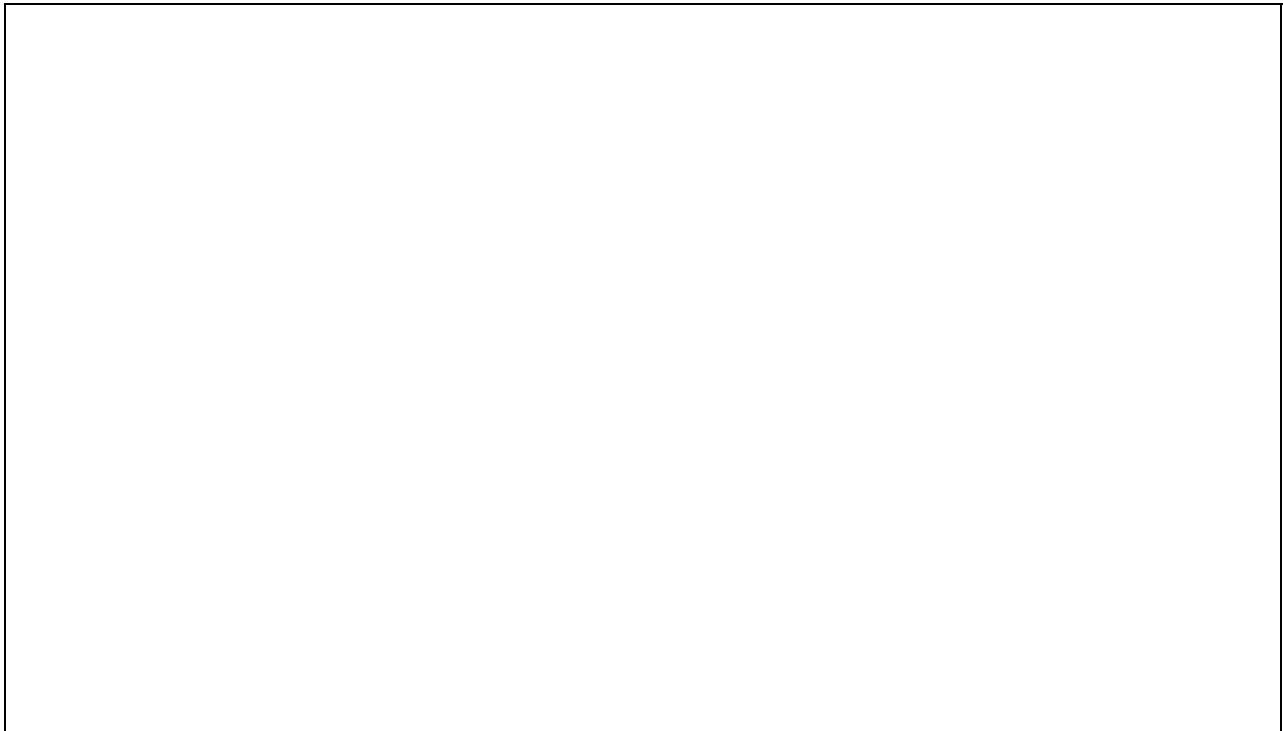

1. Objectives to be met, include the NY State Learning Standards that apply:

--

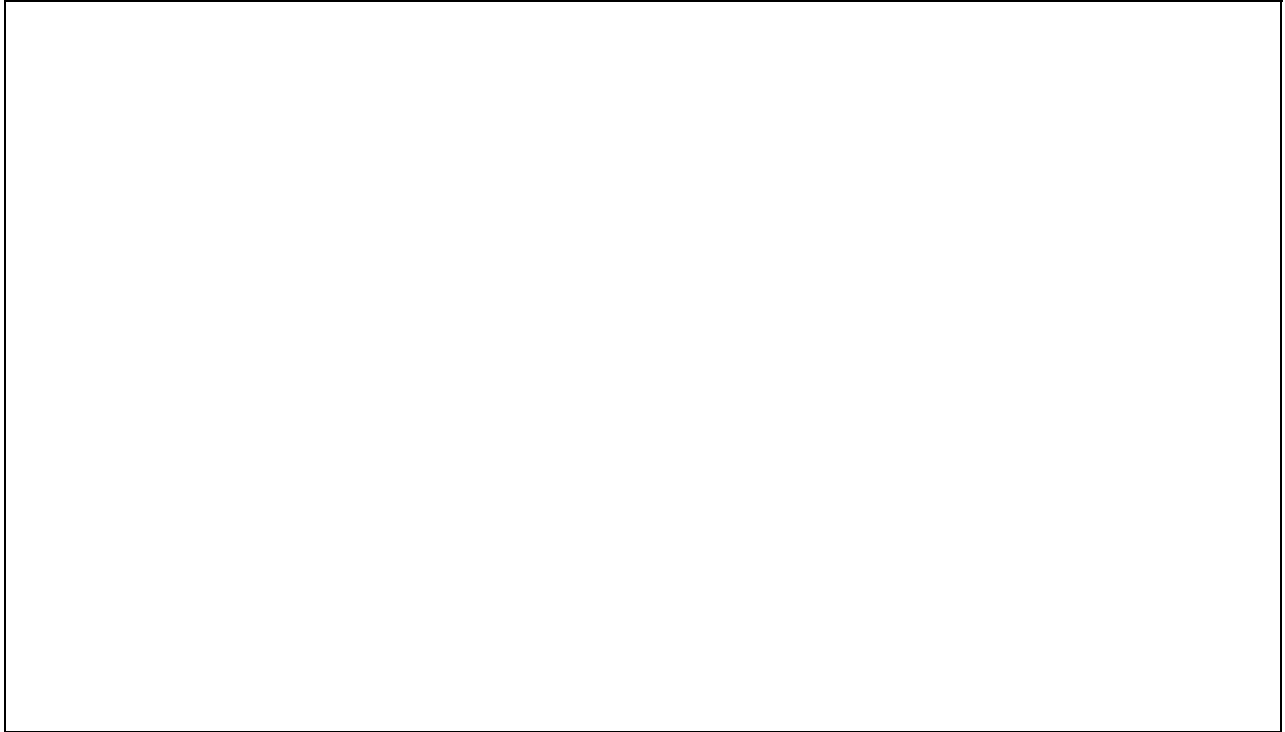

2. Basic Outline of Instructional Strategies (Including Anticipatory Set/Introduction and Closure):

3. What evidence will you accept that students have met the objectives of your lesson?

4. What are the challenges and strengths of this class and how are you addressing them?

5. Are there any strategies or skills that you would like specific feedback on?
