**Special Notice
February 2, 2017**

The New York State Education Department: Office of Special Education has initiated a Special Education Quality Assurance (SEQA) Special Education Programs and Services Focused Review in the Sodus Central School District during the 2016-17 school year. The purpose of this review is to assess the district's compliance with selected federal and State laws and regulations governing the education of students with disabilities.

The review will be conducted by the SEQA Western Regional Office. The review process will involve a review of school records of a representative sample of students with disabilities, classroom visitations and surveys. In addition, meetings of the committee on special education will be observed. Further information may be obtained by contacting the SEQA Western Regional Office at 585-344-2002 and/or by contacting Sodus Central School District at (315) 483-5208.

Nurtured by the influence of a diverse community, our district is committed to the success of every student. We will support our students in developing the skills and strategies needed to achieve academic excellence and to become respectful, responsible, kind citizens of a global society. We are dedicated to sustaining an environment that fosters a joy for life and continued learning.
