Dear Parent/Guardian:

This letter is notification about online payments/monitoring of your child/children's school meals.

The District will be converting from MyPaymentsPlus to MySchoolBucks. September 14th will be the last day you will be able to add funds to your child/children's meal account using MyPaymentsPlus.

Beginning on September 21st you will be able to start using MySchoolBucks as the new online payment/monitoring of your child/children's meal accounts. This online payment service provides a quick and easy way to add money to your student's meal account using a credit/debit card or electronic check. You can also view recent purchases, check balances, and set-up low balance alerts for **FREE** just as were able to with the previous online service.

MySchoolBucks provides:

- **Convenience** - Available **24/7 on the web** or with the **Mobile App** for your iPhone, Android or Windows phone!
- **Efficiency** - Make payments for all your students, even if they attend different schools within the district. Eliminate the need for your students to take money to school.
- **Control** - Set low balance alerts, view account activity, recurring/automatic payments & more!
- **Flexibility** - Make payments using credit/debit cards and electronic checks.
- **Security** – MySchoolBucks adheres to the highest security standards, including PCI and CISP.

Enrollment is easy!

1. Go to www.MySchoolBucks.com and register for a free account.
2. You will receive a confirmation email with a link to activate your account.
3. Add your students using their school name and student ID.
4. Make a payment to your students' accounts with your credit/debit card or electronic check. (A program fee may apply. You will have the opportunity to review any fees and cancel if you choose, before you are charged.)
